

LLDPE NON-SLIP LINER EU COMPLIANCE

BioSpectra has evaluated the packaging component supply through the Supplier Approval Program. The Linear Low-Density Polyethylene (LLDPE) liners utilized by BioSpectra for material packaging are manufactured from virgin polyethylene FDA approved material, conforming to 21 CFR 1520. The polyethylene resins adhere to Regulation EC 1935/2004 and Regulation EC 2023/2006, as listed under EU No. 10/2011.

Product Number	Liner Size
COMP-0017	9"x15"
COMP-0013	23"x24"
COMP-0014	24"x36"
COMP-0015	30"x31"
COMP-0012	30"x48"
COMP-0016	34"x60"
COMP-0023	62"x32"x68"
